MATSU SITUATION STUDY
(Supplement #1 to GP/L-76, dtd April 1, 1955)

This memorandum is a supplement to GP/L-76, dated 1 April 1955, which was submitted in reply to a request by OCI for information on military installations in the Matsu area as determined by a study of the latest available photography.

For convenience in reporting the existing situation and the periodic changes, the Matsu area is arbitrarily divided into two sections, Nan Fooshow and the Fuhling Peninsula. The dividing line is 26°10' N. lat.
